

Happy Spring Members!

Just a very short message of appreciation to all members, vendors and attendees who participated in our 18th Annual Fundraiser & Banquet. Initial reviews indicate a good time was had by many! We tried some new things this year, including our Sporting Clay Competition on Friday and the very popular Wine, Women & Cheese event on Saturday. Both Friday and Saturday's evening festivities included a keynote by entertaining J. Alain Smith, raffles, and fabulous Live Auctions. In short a lot of money was raised to further our fight to protect hunting rights, foster education, youth and humanitarian efforts and continue work in conservation. I am pleased with the efforts each and every one put in to make our event successful. Congratulations to Buck Hollow Ranch and Tierra Encantada Outfitters – the 2016 Outfitter of the Year and Riverland Taxidermy – the 2016 Taxidermist of the year. Mark your calendars and plan to attend the 2017 Lake Superior Annual Banquet, April 7 & 8, 2017.
