

An SCI & Chapter Membership: The Gift That Keeps Giving!

Did you know that when you renew your SCI and Chapter membership you are helping our chapter reach membership thresholds? Every existing chapter membership that is renewed, awards our chapter points based upon whether or not the membership is renewed for one year, three years or to a life membership. The points add up to something great and help our chapter continue to fund education, youth, humanitarian, conservation and the protection of our rights to hunt. This year, when you renew, consider upgrading to a three-year membership or even better a live membership! No matter what membership you choose, know that your membership counts and you are making a difference!

Speaking of memberships, our new members are equally important and all new memberships are a part of a distinctly separate program in which our chapter will receive additional benefits as we reach certain thresholds! Consider a membership as a gift for birthdays, holidays or just because! Remember if you purchased a live auction item at our banquet in April, you also received a Gift Membership, please be sure to “gift it” and return it to us!

It has never been better to be a part of the Lake Superior Chapter! This year we have some exciting membership outings we sure hope you will consider participating in. On August 28, 2016 – we will be hosting a Youth Day Event at Wings North in Pine City, this event will be an Adult/Youth Team Event. More information will be coming out in an email later this summer, by email, but save the date!

The Mid-Week Hunting Break, November 22, again Jay Link has generously offered to host the Annual Hunter’s Break. Jay has hosted this event for the past 18 years and it is always very well attended! This is an amazing opportunity to visit with fellow members, enjoy a one of a kind back drop and share the adventures from the field. Join members for a Christmas gathering at the Fishbowl in Danbury, Wisconsin on December 10th. Details for all of these events will be released in the coming months on our website and via email. But mark your calendars now and make arrangements to attend.

Through everyone’s participation at the 18th Annual Lake Superior Banquet, our chapter has been able to fund some wonderful and well deserving causes this year. At the top of our list has been Youth, Education, Wounded Heroes, Humanitarian and Shooting Sports. I know I talk about fundraising a lot, but supporting these causes and providing support for various other activities, is really important to me, so from the bottom of my heart – thank you all! In the coming months we will share all of the great organizations and individuals we have been able to offer financial support to.

Fall Elections - Chapter Board of Directors will be elected on July 17, 2016. The election will be held at the Fishbowl in Danbury from 1:00 – 3:00 PM. Chapter members who are interested in serving as a board member, please send an email indicating your interest and a short bio. All officer positions are also up for election at this meeting. Following the election – an announcement of the Officers and Board of Directors will be shared. An email of interest should be sent to: lssecretarysci@gmail.com.

Summer is here ENJOY every last minute of it, I know I will do my best! Look for details regarding all of the great events the Chapter is working on for 2016 and 2017! It is a GREAT time to be a member! If you are heading on an adventure, as always – travel safe and hunt even safer!

Your President

Cyndy Boyce
President Lake Superior Chapter
